ABOUT US

Siaya Institute of Technology (SIT) is a Public Institution managed by the National Government through the Ministry of Education under the State Department of Vocational & Technical Training. It is situated in Siaya town. It was established in 1987 by the District Development Committee (DDC) Siaya, as a community initiative, to train students in technical skills in areas of Masonry, Plumbing, Agriculture and Business courses. Over the years, the Institute has had to invest in infrastructural development to meet the demands of an ever-increasing student population, rapid technological advancement and changes in TVET subsector reforms and market trends.

The Institute offers a diverse array of courses examined by Kenya National Examinations Council (KNEC), Kenya Accountants and Secretaries National Examination Board (KASNEB) and Curriculum Development Accreditation and Certification Council (CDACC).
